Defendant.)

Civil Action No.

1:07CV356

LMB/L0

COMPLAINT AND DEMAND FOR JURY TRIAL

Plaintiff Academy of Motion Pictures Arts and Sciences ("A.M.P.A.S."), for its
Complaint against defendant Ampas.com (or "<ampas.com>"), alleges as follows:

NATURE OF THE ACTION

1. In this action, A.M.P.A.S. seeks injunctive relief against Ampas.com for intentional acts of cybersquatting, trademark infringement, trademark dilution, and unfair competition in violation of the Trademark Act of 1946 and the Anticybersquatting Consumer Protection Act of 1999, Title 15, United States Code. A.M.P.A.S.'s invaluable rights in the A.M.P.A.S.® mark have been deliberately infringed and diluted through the bad faith registration and commercial exploitation of <ampas.com>, an Internet domain name confusingly similar to A.M.P.A.S.'s famous mark A.M.P.A.S.®, and the commercial exploitation of A.M.P.A.S.'s other famous marks on the Web site located at <ampas.com> including ACADEMY AWARD® and ACADEMY AWARDS®.

THE PARTIES

2. A.M.P.A.S. is a non-profit California corporation with its principal place of business at 8949 Wilshire Boulevard, Beverly Hills, California 90211.

3. Upon information and belief, Ampas.com (or "<ampas.com>") is an Internet domain name which, according to records in the WHOIS database on domain name registrations, is registered by Lin ZanSong, located at 1688 RM RD., Wenzhou, Zhejiang, China 325000.

JURISDICTION AND VENUE

4. Plaintiff brings this action for federal cybersquatting in violation of the Anticybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d)(1); federal trademark infringement in violation of Section 32(1) of the Trademark Act of 1946, as amended (the "Lanham Act"), 15 U.S.C. § 1114(1); federal trademark dilution in violation of Section 43(c) of the Lanham Act, 15 U.S.C. § 1125(c); and federal unfair competition in violation of Section 43(a) of the Lanham Act, 15 U.S.C. § 1125(a).

5. This Court has original jurisdiction under 15 U.S.C. § 1121(a) and 28 U.S.C. §§ 1331, 1338(a) and 1338(b).

6. Venue is proper in this judicial district under 15 U.S.C. § 1125(d)(2)(A). Upon information and belief, the domain name registry for <ampas.com> is located in this judicial district. Upon information and belief, VeriSign Global Registry Services is the domain name registry of all ".com" domain names and is located at 21345 Ridgetop Circle, Dulles, Virginia 20166. As provided in more detail below, the rights of A.M.P.A.S. in the registered A.M.P.A.S.® mark are violated by the use of <ampas.com>. The Court is not able to obtain *in personam* jurisdiction over the registrant or owner of <ampas.com> because, upon information and belief, the registrant or owner is located in Wenzhou, Zhejiang, China. A.M.P.A.S. has given notice of the violations of A.M.P.A.S.'s rights and the potential for this action under 15 U.S.C. § 1125(d)(2)(A) to the registrant of <ampas.com> at the postal and e-mail addresses number provided by the registrant to the registrar of <ampas.com>. A true and correct copy of

the notice that A.M.P.A.S. provided the registrant of <ampas.com> is attached as Exhibit A and is incorporated by reference herein.

7. A.M.P.A.S. initially submitted the dispute over the domain name <ampas.com> to the World Intellectual Property Organization ("WIPO") for arbitration pursuant to the Uniform Domain Resolution Policy agreed to by the registrant, Lin ZanSong, and the registrar of the domain name, which is a Chinese company. The arbitration panel ruled in favor of A.M.P.A.S. and ordered the domain name <ampas.com> be transferred to A.M.P.A.S. A copy of the order is attached as Exhibit B. A certified translation of the order is attached as Exhibit C. However, the registrar refused to transfer the domain name to A.M.P.A.S. It stated that Lin ZanSong initiated a proceeding in a Chinese court naming A.M.P.A.S. as a defendant and seeking to determine the ownership of the disputed domain name. This effectively stalled the transfer of the domain name to A.M.P.A.S. To date, A.M.P.A.S. has not been served with any complaint filed in any Chinese court concerning the disputed domain name.

PLAINTIFF A.M.P.A.S.'S BUSINESS

8. A.M.P.A.S. was founded in 1927 by a now-legendary group of thirty-six film industry leaders, who numbered among them Cecil B. DeMille, Mary Pickford, Jack Warner and Douglas Fairbanks, for the purposes, *inter alia*, of advancing motion picture arts and sciences and promoting cultural, educational and technological progress by fostering cooperation among the motion picture industries creative leadership. As a constant incentive for members of the industry to strive to achieve those purposes, and as a means of recognizing persons who make outstanding contributions in their respective creative fields, A.M.P.A.S. holds its annual ACADEMY AWARDS® ceremony where it confers an "Award of Merit," known to the public as an "Oscar," in over twenty (20) categories of achievement. When the first Academy Awards were handed out on May 16, 1929, movies had just begun to talk. A.M.P.A.S. instituted its

famous sealed-envelope system in 1941 and first televised its ceremony on March 19, 1953. Since then, the ACADEMY AWARDS® ceremony has grown into a nationally and internationally televised event. Each year, A.M.P.A.S.'s ceremony is seen in a live or delayed broadcast in over two hundred countries and territories, including the People's Republic of China, where it was first televised in 1990. An award category for foreign films has been included since 1948 and motion pictures from China have been nominated for this and other categories.

9. The A.M.P.A.S.®, ACADEMY AWARD®, and ACADEMY AWARDS® marks have come to symbolize the most outstanding achievements in motion picture-making. As a result of the long and continuous use of its A.M.P.A.S.®, ACADEMY AWARD®, and ACADEMY AWARDS® marks in conjunction with its products and services, A.M.P.A.S. has gained valuable goodwill and a strong customer recognition in these trademarks throughout the world. To protect these valuable rights, A.M.P.A.S. has obtained a federal trademark registration for its A.M.P.A.S.®, ACADEMY AWARD®, and ACADEMY AWARDS® marks.

10. As reflected below, A.M.P.A.S. registered with the United States Patent and Trademark Office its A.M.P.A.S.® trademark pursuant to Certificate of Registration No. 2166918 (registration date June 23, 1998); its ACADEMY AWARD® trademark pursuant to Certificate of Registration No. 2245965 (registration date May 18, 1999); and its ACADEMY AWARDS® trademark pursuant to Certificate of Registration Nos. 1103859 (registration date October 10, 1978), 1880473 (registration date February 28, 1995), 1956313 (registration date February 13, 1996):

| Country of Registration | Mark | Reg. # / Date | Class | Goods/Services |

| United States | ACADEMY AWARDS | 1956313 2/13/1996 | I 25 | Sweatshirts; jackets; T-shirts; and, caps. |

These marks are valid and subsisting and, as the owner of the registered marks, A.M.P.A.S. has the rights to their exclusive use. True and correct copies of the aforesaid certificates of registration are attached as Exhibit D and are incorporated by reference herein.

11. As a result of A.M.P.A.S.'s long involvement in the motion picture industry, extensive advertising, and media and public interest in A.M.P.A.S.'s ceremony, its A.M.P.A.S.® trademark has become famous and is associated in the public's mind with A.M.P.A.S. A.M.P.A.S. has made substantial investments in developing its reputation, which is symbolized by its valuable trademark A.M.P.A.S.®.

12. With respect to Registration No. 2166918 for the A.M.P.A.S.® mark, A.M.P.A.S. has complied with the requirements set forth in Sections 8 and 15 of the Lanham Act. A.M.P.A.S.'s exclusive right to use the mark and its registration thereof has become incontestable within the meaning of 15 U.S.C. § 1065 and said certificate of registration constitutes conclusive evidence of, *inter alia*, A.M.P.A.S.'s ownership of and exclusive right to use the mark.

13. In addition to the aforementioned trademark registrations, A.M.P.A.S. owns the Internet domain name <ampas.org> which incorporates its A.M.P.A.S.® mark. Through its website at <ampas.org>, other Internet channels, and other media, A.M.P.A.S. actively advertises, promotes and uses the A.M.P.A.S.® mark to identify itself, its sponsored activities and products, its communications and related services. As a result of A.M.P.A.S.'s extensive advertisement, media attention, and long leadership of the motion picture and related industries, the A.M.P.A.S.® mark has achieved widespread and favorable acceptance and recognition, and has become an asset of substantial value throughout the United States and the world. Such goodwill would not be a valuable, prized asset if A.M.P.A.S. lost control over the ability to prevent unauthorized use of the A.M.P.A.S.® mark.

UNLAWFUL USE OF AMPAS.COM

14. Upon information and belief, on March 24, 2002, Lin ZanSong registered <ampas.com> and since then has operated the website <www.ampas.com> providing links to commercial advertisements, news, and other information related to A.M.P.A.S. and the motion picture industry as well as other news, information and services in China and throughout the world. Lin ZanSong has also registered over 200 other domain names. Attached as Exhibit E is a true and correct copy of a reverse WHOIS search listing the domain names associated with the e-mail address (master@21cn.net) listed for registrant Lin ZanSong.

15. When Internet users visit the Web site located at <ampas.com> they see a screen containing a search engine with links to several categories. Displayed across the top of the screen is the heading "ampas.com." Among the categories prominently and designated as either "popular categories" or "popular links" are "2007 academy awards," "academy award winners," "academy award nominees," "oscar statuette images," "korean girls," "sex," "gay sex," "porno," "oscar," and "films." Although the layout of the webpage and the specific links vary from time to time, the search engine and the presence of references to A.M.P.A.S.®, ACADEMY AWARDS®, OSCAR® and either "girls" or "sex" is consistent between different versions of the page. True and correct copies of the page located at <http://www.ampas.com> from 2005 are attached as Exhibit F. True and correct copies of the page located at <http://www.ampas.com> from 2007 are attached as Exhibit G. When the links under "Popular Links" are clicked by users, they are directed to a screen that also contains a search engine with links to either a list of "Top Sites" or "Sponsored Links," or both. True and correct copies of the Web pages as they appeared on 8/9/2005, are attached as Exhibit H.

16. Upon information and belief, the registrant of <ampas.com> was aware of A.M.P.A.S.'s famous A.M.P.A.S.® mark, of the vast and valuable goodwill and reputation represented and symbolized by the mark, and of the fact that the mark as used by A.M.P.A.S. is recognized and relied upon by the public throughout the world, including China and the United States, as identifying and distinguishing excellence in the motion picture and related industries.

17. The content of the website <www.ampas.com> operated by Ampas.com appears designed to facilitate consumers' mistaken association between the website and A.M.P.A.S. The website <www.ampas.com> offers links to news and other informational sources related to A.M.P.A.S. or to information also provided by A.M.P.A.S. on its website <ampas.org>.

18. Upon information and belief, the registrant of <ampas.com> is attempting to capitalize upon consumers' favorable and widespread recognition of the A.M.P.A.S.® mark in the field of motion pictures and related products and services by the ownership and use of the domain name <ampas.com>, which is virtually identical to A.M.P.A.S.'s mark, and the use of that domain name to offer related services of organizations and companies seeking to reach consumers. Upon information and belief, the registrant of <ampas.com> is depending on such recognition in order to attract more Internet users to their website <www.ampas.com> based on consumers' false association of the website with A.M.P.A.S., or to divert to their website consumers who are looking for websites belonging to, or affiliated with, A.M.P.A.S.

19. The registrant of <ampas.com> has engaged in the above-referenced activities without permission or authority from A.M.P.A.S. Upon information and belief, such actions were taken in bad faith with full knowledge of A.M.P.A.S.'s ownership of and exclusive rights to use the A.M.P.A.S.® mark, with the intent to deceive and mislead the public into believing that the website <www.ampas.com> and the registrant's related services and products are sponsored, licensed, or authorized by or affiliated, connected, or otherwise associated with A.M.P.A.S.

20. The use of the domain name <ampas.com> by its registrant is likely to cause consumer confusion or mistake or deceive consumers into thinking that the website <www.ampas.com> and the services of the registrant are authorized by, or affiliated, connected, or otherwise associated with A.M.P.A.S. The registrant of <ampas.com> intentionally, willfully, and in bad faith created this misimpression.

21. The aforesaid activities are likely to diminish and blur or tarnish the meaning of A.M.P.A.S.'s famous A.M.P.A.S.® mark, thereby diluting the distinctive quality of the mark.

22. The aforesaid activities have caused and will continue to cause A.M.P.A.S. great and irreparable harm and damage. Unless permanently restrained and enjoined by this Court, the

registrant of <ampas.com> will persist in their unlawful activities, thereby causing further damage and irreparable harm to A.M.P.A.S. and to the public interest.

23. A.M.P.A.S. has no adequate remedy at law.

COUNT I – FEDERAL CYBERSQUATTING

24. A.M.P.A.S. hereby realleges and incorporates by reference the allegations of paragraphs 1 through 23 of this Complaint.

25. The aforesaid acts constitute the registration, maintenance and use of a domain name that is virtually identical to, confusingly similar to and dilutive of A.M.P.A.S.'s famous A.M.P.A.S.® mark, made knowingly and with a bad-faith intent to profit therefrom.

26. The aforesaid acts constitute unlawful cybersquatting in violation of the Anticybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d)(1).

27. The aforesaid acts have caused, and are causing, great and irreparable harm to A.M.P.A.S. The harm to A.M.P.A.S. includes harm to the value and good will associated with the A.M.P.A.S.® mark that money cannot compensate. Unless permanently restrained by this Court, said irreparable harm will continue. Thus, pursuant to 15 U.S.C. § 1125(d)(2)(D)(i), A.M.P.A.S. is entitled to an order transferring the domain name <ampas.com> to A.M.P.A.S. or, alternatively, deleting the registration of the domain name <ampas.com>.

COUNT II – FEDERAL TRADEMARK INFRINGEMENT

28. A.M.P.A.S. hereby realleges and incorporates by reference the allegations of paragraphs 1 through 27 of this Complaint.

29. The domain name <ampas.com> is confusingly similar to A.M.P.A.S.'s registered A.M.P.A.S.® mark. The aforesaid use of that domain name without the consent of A.M.P.A.S. in connection with the sale, offering for sale, distribution and advertising of news, information,

products and services related to the motion picture industry is likely to cause confusion, or to cause mistake, or to deceive.

30. The aforesaid use constitutes trademark infringement in violation of Section 32(1) of the Lanham Act, 15 U.S.C. § 1114(1).

31. The aforesaid use was intentional, willful, and in bad faith.

32. The aforesaid use has caused, and is causing, great and irreparable harm to A.M.P.A.S. The harm to A.M.P.A.S. includes harm to the value and good will associated with the A.M.P.A.S.® mark that money cannot compensate. Unless permanently restrained by this Court, said irreparable harm will continue. Thus, pursuant to 15 U.S.C. § 1125(d)(2)(D)(i), A.M.P.A.S. is entitled to an order transferring the domain name <ampas.com> to A.M.P.A.S. or, alternatively, deleting the registration of the domain name <ampas.com>.

COUNT III – FEDERAL TRADEMARK DILUTION

33. A.M.P.A.S. hereby realleges and incorporates by reference the allegations of paragraphs 1 through 32 of this Complaint.

34. A.M.P.A.S. has used its A.M.P.A.S.® mark for many decades to identify itself, its sponsored activities and products, its communications and related services. The A.M.P.A.S.® mark is famous throughout the United States, China, and the world within the motion picture industry and among the general public who seek information regarding achievements in motion pictures.

35. The aforesaid use of the domain name <ampas.com> to identify the website <www.ampas.com>, and the news, information and related services offered on that website has diluted, and will continue to dilute, the distinctive quality of A.M.P.A.S.'s mark in violation of Section 43(c) of the Lanham Act, 15 U.S.C. § 1125(c).

36. The aforesaid use has caused, and is causing, great and irreparable harm to A.M.P.A.S. The harm to A.M.P.A.S. includes harm to the value and good will associated with the A.M.P.A.S.® mark that money cannot compensate. Unless permanently restrained by this Court, said irreparable harm will continue. Thus, pursuant to 15 U.S.C. § 1125(d)(2)(D)(i), A.M.P.A.S. is entitled to an order transferring the domain name <ampas.com> to A.M.P.A.S. or, alternatively, deleting the registration of the domain name <ampas.com>.

COUNT IV – FEDERAL UNFAIR COMPETITION

37. A.M.P.A.S. hereby realleges and incorporates by reference the allegations of paragraphs 1 through 36 of this Complaint.

38. The aforesaid use of the domain name <ampas.com> constitutes use in commerce of words, terms, names, symbols, and devices, and combinations thereof; false designations of origin; false and misleading descriptions of fact; and false and misleading representations of fact that is likely to cause confusion, or to cause mistake, or to deceive as to the affiliation, connection, or association of the website or the registrant with A.M.P.A.S., or as to the origin, sponsorship, or approval of the website's services, goods, or other commercial activities by A.M.P.A.S.

39. The aforesaid use of the domain name <ampas.com> constitutes use in commerce of words, terms, names, symbols, and devices, and combinations thereof; false designations of origin; false and misleading descriptions of fact; and false and misleading representations of fact in commercial advertising or promotion that misrepresents the nature, characteristics, or qualities of the website's services, goods, or commercial activities.

40. The aforesaid use of the domain name <ampas.com> constitutes false designation of origin and false and misleading descriptions and representations in violation of Section 43(a) of the Lanham Act, 15 U.S.C. § 1125(a).

41. The aforesaid use of the domain name <ampas.com> has caused, and is causing, great and irreparable harm to A.M.P.A.S. The harm to A.M.P.A.S. includes harm to the value and good will associated with the A.M.P.A.S.® mark that money cannot compensate. Unless permanently restrained by this Court, said irreparable harm will continue. Thus, pursuant to 15 U.S.C. § 1125(d)(2)(D)(i), A.M.P.A.S. is entitled to an order transferring the domain name <ampas.com> to A.M.P.A.S. or, alternatively, deleting the registration of the domain name <ampas.com>.

REQUESTED RELIEF

WHEREFORE, A.M.P.A.S. prays for a judgment in its favor and against Ampas.com as follows:

- a. That the Court order the domain name <ampas.com> to be transferred to A.M.P.A.S., or, in the alternative, order the deletion of the registration of the domain name <ampas.com>;
- b. That the Court order the domain name registry for <ampas.com> to transfer the domain name to a different registrar whose principal place of business is in the United States;
- c. That A.M.P.A.S. have such other and further relief as the Court may deem just and proper.

Infringement of A.M.P.A.S.® Mark

Dear Mr. ZanSong:

We are counsel to the Academy of Motion Picture Arts and Sciences (the "Academy"). We are writing with regard to your registration and use of the domain name AMPAS.COM.

Please be advised that the commercial use of the A.M.P.A.S.®, ACADEMY AWARD®, and ACADEMY AWARDS® marks is impermissible. As you are undoubtedly aware, the Academy annually confers copies of its Academy Award of Merit, popularly known to the public as the "Oscar," to persons who make outstanding contributions in the motion picture industry. The A.M.P.A.S.®, ACADEMY AWARD®, and ACADEMY AWARDS® marks have come to symbolize the most outstanding achievements in motion picture-making. As a result of the long and continuous use of its A.M.P.A.S.®, ACADEMY AWARD®, ACADEMY AWARDS® marks in conjunction with its products and services, the Academy has gained valuable goodwill and a strong customer recognition in these trademarks throughout the world. To protect these valuable rights, the Academy has obtained a federal trademark registration for its A.M.P.A.S.®, word mark pursuant to Certificate of Registration No. 2,166,918, and for its ACADEMY AWARDS® word mark in China pursuant to Certificate of Registration No. 94,014,541.

We would further like to advise you of the Uniform Dispute Resolution Policy ("UDRP") adopted by the Internet Corporation for Assigned Names and Numbers ("ICANN") to govern .com, .net, .org, .biz, and .info domain name disputes in the U.S. and abroad. The UDRP provides for binding arbitration which can order the transfer or deletion of an infringing domain name registration.

The UDRP enumerates the following three elements to determine whether a domain name is infringing: (1) that the domain name is identical or confusingly similar to a trademark or service mark in which the complainant has rights; (2) that the domain name registrant has no rights or legitimate interests in respect to the domain name; and (3) that the domain name has been registered and is being used in bad faith. The UDRP sets forth the following nonexclusive factors which show use in bad faith: (a) where the domain name was registered or acquired for the purpose of extracting payment from the trademark owner or its competitors in excess of the costs associated with registering or acquiring the domain name; (b) the domain name was registered in order to prevent the trademark owner from being able to use it as a domain name; (c) the domain name was registered for the purpose of disrupting the business of a competitor; or (d) the domain name registrant has used the domain name to divert commercial traffic to its website by creating a likelihood of confusion among Internet users.

In light of the strength of the Academy's mark and the fact that you have no intellectual property rights in AMPAS.COM, no right to use the domain name commercially, and its use is likely to confuse visitors searching the Academy's site, it is likely that a court would find that AMPAS.COM was registered with a bad faith intent to profit.

The Academy may also bring suit in the U.S. under the of the Anticybersquatting Consumer Protection Act¹ (the "Act"). It provides for the transfer or deletion of domain names registered or used with a bad faith intent to profit from a distinctive or famous trademark.

The Act enumerates nine factors to consider in determining whether a registrant has a bad faith intent to profit from a mark. The factors a court may consider include: (1) whether the registrant has trademark or other intellectual property rights in the domain name; (2) the extent to which the domain name consists of the legal name of the registrant; (3) whether the registrant has made prior use of the domain name in connection with the bona fide offering of any goods or services; (4) whether the registrant has made bona fide noncommercial or fair use of the name; (5) whether the registrant intended to divert customers from the mark owner's online location for commercial gain or with intent to tarnish or disparage the mark; (6) whether the registrant has offered to transfer, sell, or otherwise assign the domain name for financial gain; (7) whether the registrant provided materially misleading or false contact information; (8) whether the registrant has registered multiple domain names which it knows are identical or confusingly similar to famous

¹See 15 U.S.C. 1125(d) (2002).

or distinctive marks; and (9) the extent to which the mark incorporated in the domain name is or is not distinctive or famous.

Because you have no right to use the domain name commercially, it is likely that a court would find that AMPAS.COM was registered with a bad faith intent to profit.

Based on the foregoing, the Academy must request that you provide us with your written assurance that you will immediately (1) transfer your registration for AMPAS.COM to the Academy and provide us a copy of the transfer request; (2) halt construction of any and all Web sites incorporating the Academy's marks or any colorable imitations thereof; (3) refrain from registering or using the Academy's trademarks, or any colorable imitations thereof, as domain names; and (4) refrain from selling, transferring, or otherwise distributing tickets to any Academy Awards presentations.

Unless we receive your written agreement to the foregoing within fourteen (14) days, the Academy will have no choice but to pursue its legal remedies. Please contact us promptly to resolve this matter.

Very truly yours,

David W. Quinto

事关： 第 D2005-1034号案 –
<ampas.com>
裁决通知

现将行政专家组于2005年12月22日对上述案件所作裁决的全文通知如下，请查收。

行政专家组的裁定如下：

“鉴于上述所有理由，根据《政策》第4条(i)款和《规则》第15条，专家组裁定将该域名<ampas.com>转移给申诉人。”

根据《统一域名争议解决政策》第4条(k)项，下文列出的注册机构应在收到本通知后的第10个工作日（以该注册机构总部所在地的工作时间为准）开始执行上述裁决。如果在该10日等待期届满之前，被投诉人向注册机构提交正式文件（例如由法院书记员盖章签收的起诉书的副本），表明其已在投诉人根据《统一域名争议解决政策细则》（下称该《细则》）第3条(b)项第(xiii)目接受管辖的管辖区内向投诉人提起法律诉讼，则有关注册机构将不执行该裁决。

根据细则第16条(a)项，注册机构应按指示在未收到被投诉人根据上述规定发出通知的情况下，将行政专家组裁决的具体执行日期尽快通知投诉人、被投诉人、因特网域名和数字地址分配公司（ICANN）以及WIPO仲裁与调解中心。

您诚挚的，

A handwritten signature in black ink, appearing to read 'Yusun Park', is written over the printed name.

行政专家组裁决书

美国电影艺术与科学学院诉 Lin Zansong 案

案号：D2005-1034

1. 当事人

申诉人是美国电影艺术与科学学院，比弗利山，加利福尼亚，美国。由美国的 Quinn Emanuel Urquhart Oliver & Hedges, LLP 作为代表。

被诉人是 Lin Zansong，中国浙江温州。

2. 域名与注册机构

所争议的域名是 <ampas.com>，注册于 OnlineNic, Inc. d/b/a China-Channel.com

3. 受案程序

申诉人于 2005 年 9 月 30 日向世界知识产权组织仲裁与调解中心(下称“中心”)呈交了申诉书。2005 年 10 月 4 日，中心向 OnlineNic, Inc. d/b/a China-Channel.com 发出电子邮件，要求其为待决之域名提供相关注册机构验证。2005 年 10 月 8 日，OnlineNic, Inc. d/b/a China-Channel.com 向中心发来电子邮件，其验证回复，确认被诉人名列注册人列表，并提供了行政联系人、付费联系人和技术联系人的具体联络办法，并说明注册协议为英文。但在 2005 年 10 月 11 日，OnlineNic, Inc. d/b/a China-Channel.com 又发了一份电子邮件，通知中心注册协议所用语言是中文而不是其 2005 年 10 月 8 日电子邮件所述的英文。

2005 年 10 月 11 日，中心通知申诉人，争议域名的注册协议所用语言是中文。中心也相应要求申诉人提供令其满意的证据，证明申诉人与被诉人之间有同意裁决程序以英文进行的有效协议，否则，申诉人须呈交申诉书的中文译文。申诉人回复了中心关于裁决程序所用语言的通知，要求并获得了呈交申诉书译文的延期。

2005 年 10 月 17 日，申诉人将一份申诉书的中译文以电子邮件递交中心，并将一份打印件连同附件以快件递送中心、被诉人和注册机构。2005 年 10 月 27 日，被

诉人向中心发出电子邮件(用英文), 询问中心本案是否已被撤销, 因为他尚未收到中文申诉书。

中心答复被上诉人, 确认已于 2005 年 10 月 17 日经电子邮件收到申诉人提交的申诉书中译文, 但注意到申诉人在将文件抄送被上诉人时使用了错误的电子邮件地址。中心在同一份电子邮件中, 将此事通知了申诉人, 也将申诉人附有中文申诉书的电子邮件抄送给了被上诉人。

中心审核了申诉书及其修改文件, 以符合《统一域名争议解决政策》(下称“《政策》”)、《统一域名争议解决政策实施规则》(下称“《规则》”)和《世界知识产权组织统一域名争议解决政策补充规则》(下称“《补充规则》”)的正式要求。

根据《规则》第 2(a)款和 4(a)款, 中心正式通知被上诉人关于申诉书及其程序于 2005 年 11 月 1 日开始。根据《规则》第 5(a)款, 答辩截止日期为 2005 年 11 月 21 日。被上诉人未呈交任何答辩书。中心于 2005 年 11 月 23 日相应通知被上诉人其缺席。

2005 年 12 月 6 日, 中心指定陈国安(Richard Tan)为本案专家组的独任专家。本专家组认为其已适当组成。按中心规定, 本专家组为确保遵守《规则》第 7 条的规定, 呈交了《接受书和公正独立声明书》。

根据《规则》第 11 条, 鉴于注册协议所用语言为中文, 本裁决程序应以中文进行。

4. 基本事实

申诉人称, 它是在 1927 年成立, 其目的在于推动电影艺术与科学的发展, 促进电影业的文化、教育和科技进步。申诉人最为人所知的是每年的 ACADEMY AWARDS 典礼(也就是俗称的“奥斯卡”(Oscars)), 向电影界有创意的人才及其他人才的成就献上赞誉。颁奖典礼每年都通过电视向全国及世界传播, 包括中华人民共和国。

申诉人已经为“A.M.P.A.S”呈交申请并于 1998 年 6 月 23 日在美国取得注册商标号 2166918, 属第 41、第 16 和第 9 类商标。

申诉人又称, 由于其大量的广告、媒介以及组织颁奖典礼的公众利益, 作为其在电影界活动的成果, A.M.P.A.S.已经成为驰名商标, 并在公众心目中与申诉人联系在一起。

被上诉人于 2002 年 3 月 24 日在注册机构注册了争议域名。争议域名分解出一个包含搜索引擎的网页, 该网页链接了众多类目, 包括“Oscar”(奥斯卡)、“Films”(电影)、“Sex”(性)、“Gay Sex”(同性恋)以及其它色情网站。点击这些类目会导向进一步的页面, 其功能会链接去他方网站, 其中许多均标明为“赞助链接”。

5. 当事人主张

A. 申诉人

申诉人主张基本如下：

- (a) 争议域名<ampas.com>与申诉人注册的服务标识“A.M.P.A.S.”类似而易混淆，它将申诉人的商标完全包含在顶级扩展名“.com”中。
- (b) 关于争议域名，被诉人不具有第4(c)(i)款项下的权利或合法利益，因为他未曾使用也未在使用争议域名善意提供相关的商品或服务。再者，申诉人认为，被诉人是在利用争议域名将英特网用户转移到他的网站以谋取商业利益。申诉人认为，被诉人并非由于争议域名而广为人知，在该标识上也未曾获得任何商标权或服务标识的权利。
- (c) 被诉人是恶意注册和使用争议域名，因为通过使用争议域名，被诉人以混淆申诉人的标识来造成一种可能，即将其作为被诉人网站的资源、赞助、关联机构和/或背书认可，试图吸引国际英特网用户而谋取商业利益。

B. 被诉人

被诉人对申诉人的主张未作答辩。

6. 分析与认定

申诉人有义务证明《政策》第4(a)款项下的下列三个要素，以获取转移争议域名的权利：

“(i) 注册人的域名与申诉人享有权利的名称、商标或服务标识相同或类似易混淆；并且

(ii) 注册人对域名不享有权利或合法利益；并且

(iii) 注册人注册和使用域名属于恶意。”

本专家组应根据本案事实，按照上述三点来作相应审查。

A. 相同或类似易混淆

申诉人已经举证，证明其自1998年起就是美国注册商标A.M.P.A.S的所有权人，并拥有相应的权利。

本专家组也明确认定，争议域名与该标识完全相同。关于如何考虑一个域名是否完全相同，已有权威的定论，即当被诉人仅删除标点符号，进而加上“.com”gTLD扩展名，则在裁定争议域名与申诉人的标识完全相同时，对前述增删可不予理会；参见 *Geac Computer Corporation Limited v. Occ Pub Assn* WIPO Case No. D2002-0424, and *Chi-Chi's, Inc. v. Restaurant Commentary (Restaurant Commentary)* WIPO Case No. D2000-0321。

本专家组因此认为,《政策》第 4(a)(i)款成立。

B. 权利或合法利益

在《政策》第 4(a)(ii)款项下,申诉人也需证实被诉人对争议域名不享有权利或合法利益。申诉人应先承担确立本案成立的举证义务,一旦申诉人已经完成该义务,则转由被诉人承担作出相反证明的义务。参见 *Lucasfilm Ltd. and Lucas licensing Lte. v. Caupcake City and John Zuccarini*, WIPO Case No. D2001-0700。

申诉人宣称,被诉人过去和现在都没有将争议域名用于善意提供相关的商品和服务,并称被诉人是将域名用于将英特网用户转移到他的网站以谋取商业利益。申诉人还宣称,被诉人并非由于该域名而广为人知,也未获得该商标权及服务标识的权利。

鉴于被诉人未作答辩,为进行裁决程序,本专家组有权并现予采纳申诉人所称的事实是真实的: *Talk City Inc. v. Robertson*, WIPO Case No. D2000-0009(注意《规则》第 14(b)款规定,专家组有权根据被诉人未遵守规则的情况,“如其认为适当”,可据此“作出推断”,而根据《规则》第 15(a)款,专家组可基于所呈交的文件和声明作出裁决。).

当然,即使被诉人没有呈交答辩书,本专家组仍须考虑是否存在《政策》第 4(c)款项下所规定(非详尽列明)的情况,而支持被诉人对争议域名拥有权利或合法利益的认定,即:

- (i) 在向被诉人发送关于争议的通知之前,被诉人将域名或与域名相应的名称,用于或有证明显示在准备用于善意提供相关的商品或服务;或者
- (ii) 被诉人(个人、商行或其它组织)即使尚未获得商标权或服务标识的权利,但是已经通过该域名而广为人知;或者
- (iii) 被诉人使用该域名属于合法正当的非商业性质,而没有故意为了谋取商业利益而误导转移客户或玷污待决的商标或服务标识的声誉。

如以上任何一种情况成立,被诉人可说是对该域名享有第 4(c)(ii)款项下的权利或合法利益(参见 *Digital Vision, Ltd. v. Advanced Chemill Systems*, WIPO Case No. D2001-0827),在此情况下,申诉须予驳回。

根据《政策》第 4(c)(i)款,判断被诉人对争议域名拥有权利或合法利益是否成立,关键在于被诉人是否在将相关域名用于善意提供商品或服务。

本专家组注意到,被诉人对争议域名的唯一使用,是将该域名用来提供一个链接到众多他方网站的集合站,有的与“奥斯卡”(Oscars)有关(又再链接到他方的影像零售网站),其他的是色情网站。这点不能构成善意提供商品或服务。再者,由于被诉人未作答辩,本专家组也推断被诉人不拥有与 A.M.P.A.S 相同的商标或服务标识(参见 *Nat'l Academy of Recording Arts & Sciences Inc. v. Lsites*, National Arbitration Forum, Case No. FA00103059)。同时,也没有证据显示被诉人由于该域名而广为人知。

为此,本专家组认定,《政策》第 4(c)项下的情况均不适用,而《政策》第

4(a)(ii)款成立。

C. 恶意注册和使用

《政策》第 4(a)(iii)款规定，申诉人除上列事项外，还须说明争议域名已经被恶意注册和使用。

《政策》第 4(b)款的规定列出了一份非详尽列明的情况清单，其中“如专家组认定存在该等情况，则证明注册和使用域名属恶意”。

《政策》第 4(b)(iv)款规定，下列情况是存在恶意注册和使用域名的证明：

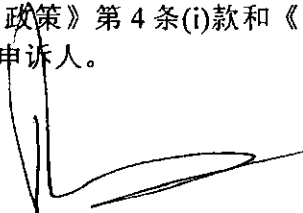

“通过使用该域名，你方为谋取商业利益，企图吸引国际英特网用户访问你方网站或其它在线位置，以混淆申诉人的标识来造成一种可能，即将其作为你方网站或位置，或在你方网站或位置上的商品、服务的资源、赞助、关联机构或背书认可。”

本专家组采信，被诉人在“奥斯卡”(Oscar)、“电影”(Films)等目录下提供他方网站的链接，其中许多说明是“赞助”，这说明被诉人是知晓申诉人及其业务活动的。从被诉人在这些目录下的链接将用户转移到他方网站的行为，可以进一步推断，被诉人是使用争议域名谋取商业利益，通过混淆申诉人 A.M.P.A.S 标识来造成一种可能，即将其作为被诉人网站的资源、赞助、关联机构或背书认可，即《政策》第 4(b)(iv)款所述之含义。

在被上诉人缺席答辩申诉人指控的情况下，本专家组根据《政策》第 4(a)(iii)款的含义认定，域名已经被被上诉人恶意注册并正在恶意使用。

7. 裁决

鉴于上述所有理由，根据《政策》第 4 条(i)款和《规则》第 15 条，专家组裁定将该域名<ampas.com>转移给申诉人。

独任专家
陈国安(Richard Tan)

日期：2005 年 12 月 22 日

WIPO Arbitration and Mediation Center

Jan 16th, 2006

Matter: Case No. D2005-1034
Arbitration Notice for <ampas.com>

We hereby notify the full text of the arbitration for the foresaid case by the administrative expert team on Dec 22nd, 2005 as below, please check.

Arbitration by the administrative expert team is as follows:

“Whereas the foresaid all causes, according to Article (i) in Clause IV of the “Policy” and Article XV in the “Regulations”, the expert team rules to transfer this domain name of <ampas.com> to the appellant.”

According to Item (k) in Article 4 in the “Policy for dispute settlement in uniform domain name”, the registration institution listed below should start to execute the foresaid judgment since the 10th working day (With the working hour in the location of the headquarters of this registration institution as standard) after receiving this notice. If before the expiration of this 10-day outstanding period, the defendant submits the official documents (Such as the counterpart of the indictment signed by the secretary of the court with the stamp) to the registration institution, indicating it has lodged a lawsuit to the appellant within the precinct where the appellant accepts the jurisdiction according to Sub-item xiii in Item (b) in Clause 3 of the “Specific rules of the policy for dispute settlement for uniform domain name”, then the relevant registration institution will not execute this judgment.

According to Sub-item (a) in Clause 16 of the rules, the registration institution will follow the instructions to notify the specific execution date judged by the administrative expert team to the appellant, the defendant, Internet Domain Name and

Digital Address Distribution Company (ICANN) and Arbitration & Mediation Center of WIPO as soon as possible under the circumstance of not receiving the notice issued by the defendant according to the foresaid regulations.

Yours sincerely,

Yusun Park
Case Administrator

Arbitration & Mediation Center in World Intellectual Property Organization

Verdict by Administrative Expert Team

Lawsuit proceeding against Lin Zansong by
Academy of Motion Picture Arts and Sciences of America

Case No.: D2005-1034

1. Parties

Appellant is Academy of Motion Picture Arts and Sciences of America, Beverly Hills, California, USA, represented by Quinn Emanuel Urquhart Oliver & Hedges, LLP in USA.

Defendant is Lin Zansong, Wenzhou, Zhejiang, The People's Republic of China

2. Domain name and registration institution

The domain name in dispute is <ampas.com>, registered in OnlineNic, Inc. d/b/a China-Channel.com

3. Proceedings

Appellant submitted the appeal to Arbitration & Mediation Center ("Hereinafter refer to as "Center") in World Intellectual Property Right Organization on Sep 30th, 2005. On Oct 4th, 2005, the center sent an E-mail to OnlineNic, Inc. d/b/a China-Channel.com, requesting it to provide the verification by the relevant registration institution for the pending domain name. On Oct 8th, 2005, OnlineNic, Inc. d/b/a China-Channel.com sent an E-mail to the center, in which the verification reply confirmed the defendant was registered in the list of registrants, and provided the detail contacts of Administrative Contact Person, Contact Person for payment and Technical Contact Person, and noted that the registration agreement is in English. But on Oct 11th, 2005, OnlineNic, Inc. d/b/a China-Channel.com sent another E-mail, notifying the center that the language of the registration agreement is Chinese rather than English as mentioned in the E-mail on Oct 8th, 2005.

On Oct 11th, 2005, the center notified the appellant that the language used in the registration agreement for the domain name in dispute was Chinese. Correspondingly, the center also requested the appellant to provide the satisfactory evidence, to prove

there is a valid agreement between the appellant and the defendant agreeing the arbitration proceedings to be carried out in English, otherwise, the appellant must submit the translated script of the petition in Chinese. The appellant replied the center on the notice for the language used in the verdict proceedings, and requested and received the extension for the period of submitting the translated script of the petition.

On Oct 17th, 2005, the appellant submitted one copy of the translated script of the petition in Chinese to the center by E-mail, and delivered one printed copy and the attachments to the center, the appellant and the registration institution by courier. On Oct 27th, 2005, the defendant sent an E-mail (In English) to the center, enquiring the center for whether this case has been withdrawn or not, because he has not received the petition in Chinese.

The center replied to the defendant that it confirmed having received the translated script of the petition in Chinese submitted by the appellant by E-mail on Oct 17th, 2005, but it also noted that the appellant used the wrong E-mail address when forwarding the document to the defendant. In the same E-mail, the center notified the appellant with this issue, and also forwarded the E-mail attached with the petition in Chinese from the appellant to the defendant.

The center has received the petition and its revised document, to meet the official requirements in the "Policy for dispute settlement for uniform domain name" (Hereinafter refer to as "Policy"), the "Implementation rules for policy of dispute settlement for uniform domain name" (Hereinafter refer to as "Rules") and the "Supplementary rules for policy of dispute settlement for uniform domain name in World Intellectual Property Organization" (Hereinafter refer to as "Supplementary rules").

According to Articles 2 (a) and 4 (a) in the "Rules", the center officially notified the appellant that the petition and its proceedings would start from Nov 1st, 2005. According to Article 5 (a) in the "Rules", the deadline for pleading was Nov 21st, 2005. Defendant did not submit any pleading letter. Correspondingly, the center notified the absence of the defendant on Nov 23rd, 2005.

On Dec 6th, 2005, the center designated Mr. Richard Tan as Exclusive Expert of the expert team in this case. This expert team believed it had been appropriately constituted. As regulated in the center, to ensure compliance with the regulations in Article 7 in the "Rules", this expert team has submitted the "Letter of Acceptance and Statement for Justice and Independence".

According to Article 11 in the "Rules", considering the language used in the registration agreement is Chinese, this proceeding should be in Chinese.

4. Basic facts

Appellant claimed that it was founded in 1927, and its purpose is to promote the development of motion picture arts and sciences, and promote the progress of culture, education and technology of the motion picture industry. The most well-known event in the appellant is the "Academy Awards" ceremony in each year (Also called as "Oscars"), to present recognition for the contributions by the creative talents and other talents in the movie industry. Every year, the award presentation ceremony will be broadcasted to the whole country and the world through television, including The People's Republic of China.

Appellant has submitted the application for "A.M.P.A.S" and received the registered trademark with the number for 2166918 in USA on June 23rd, 1998, which belongs to the trademark in Categories 41, 16 and 9.

Appellant also claimed that due to its huge amount of advertising, media as well as the public interests for organizing the award presentation ceremony, and as its achievements of the activities in the motion picture industry, A.M.P.A.S has become a well-known trademark, and has been connected with the appellant in the mind of the public.

On March 24th, 2002, the defendant registered the domain name in dispute in the registration institution on March 24th, 2002. The domain name in dispute has been broken down into a webpage including the search engine, and this webpage linked with many categories, including "Oscar", "Films", "Sex", "Gay Sex" and other pornographic websites. Clicking these categories will lead the further webpage, and its function will link to other websites, including many marked as "Sponsored linkages".

5. Claims by the parties

A. Appellant

Claims by the appellant are basically as follows:

- (a) The domain name <ampas.com> in dispute is similar as the service trademark "A.M.P.A.S" registered by the appellant and is easy to be mixed up, which totally includes the trademark of the appellant in the top-class extended name ".com".
- (b) In term of the domain name in dispute, the defendant does not own the rights or legal interest under Sub-item 4 (c) (i), because he has never used the domain name in dispute nor the relevant commodities or services provided. In addition, the appellant believed the defendant was making use of the domain name in dispute to transfer the Internet user to his website to make commercial interests. Appellant believes the defendant gets well known not due to the domain name in dispute, and has also never received any trademark right or right of service mark.
- (c) Defendant maliciously registered and used the domain name in dispute, because by using the domain name in dispute, the appellant caused a possibility by mixing the mark of the appellant, i.e. using it as the resource, sponsorship, recognition for associate institutions and/or recitation for the website of the defendant, trying to

attract the international Internet user to make the commercial interest.

B. Defendant

Defendant does not plead for the claims by the appellant.

6. Analysis and recognition

Appellant is obliged to prove three following elements under Item 4 (a) in the "Policy", so as to obtain the right to transfer the domain name in dispute:

"(i) The domain name of the registrant is identical or similar and easy to be mixed up with the name of the right enjoyed by the appellant, the trademark or the service mark, and"

(ii) The registrant does not enjoy the right or legal interests for the domain name, and

(iii) Registration and use of domain name by the registrant are malicious."

According to the facts in this case, the expert team has made the corresponding inspections as per the foresaid three points.

A. Identical or similar and easy to be mixed up

Appellant has quoted proving he has been the owner of the registered trademark A.M.P.A.S in USA since 1998, and has owned the corresponding rights.

The expert team also clearly cognizes the domain name in dispute is completely identical with this mark. There has been the authoritative verdict for how to consider whether one domain name is completely identical or not, i.e. When the defendant only deletes the punctuation, and further add the extended name of ".com", then while judging the domain name in dispute is completely identical with the mark by the appellant, the foresaid addition or deletion may not be paid with attention: Refer to Geac Computer Corporation Limited v. Occ Pub Assn WIPO Case No. D2002-0424, and Chi-Chi's, Inc. v. Restaurant Commentary (Restaurant Commentary) WIPO Case No. D2000-0321.

Therefore the expert team believes Item 4 (a) (i) in the "Policy" is tenable.

B. Rights or legal interests

Under Item 4 (a) (ii) in the "Policy", Appellant also needs to prove the defendant does not enjoy rights or legal interests for the domain name in dispute. Appellant should firstly bear the quoting obligation to ensure this case is tenable, and once Appellant has fulfilled this obligation, then it turns out that the appellant bears the obligation to make the adverse quotation. Refer to Lucasfilm Ltd, and Lucas Licensing Lte. v. Caupcake City and John Zuccarini, WIPO Case No. D2001-0700.

Appellant claims that in the past and at present, Defendant has never used the domain name in good faith to provide the relevant commodities and services, and claims that Appellant uses the domain name to transfer the Internet users to his website to make commercial interests. Appellant also claims that the appellant is well known not due

to this domain name, and also has not obtained the rights for this trademark and the service logo.

Considering Appellant does not plead, in order to carry out the proceeding, the expert team is entitled for and adopts that the facts claimed by the appellant are genuine: Talk City Inc. v. Robertson, WIPO Case No. D2000-0009 (Notice that Article 14 (b) in the “Regulations” regulates that the expert team is entitled to make the “Judgment” “if it believes appropriate” according to the situation that the appellant does not abide by the rules, and according to Article 15 (a) in the “Rules”, the expert team can make judgment based on the documentations and statements submitted).

Of course, even if the defendant does not submit Letter of Pleading, the expert team still needs to consider whether there is the situation specified (Not specifically listed) under Article 4 (c) in the “Policy” existing or not, and supports the cognizance that the appellant owns the rights and legal interests for the domain name in dispute, i.e.:

- (i) Before sending the notice on dispute to the appellant, the appellant makes the domain name or the name corresponding to the domain name used or there is evidence showing prepared to be used to provide relevant commodities or services in good faith, or
- (ii) Even if the appellant (Individual, firm or other organizations) has not obtained the rights of trademark or service mark, he has been widely well known through this domain name, or
- (iii) Use of this domain name by the appellant is a legal and legitimate behavior not in commercial nature, rather than intentionally misleading or transferring the client or sully the reputation of the pending trademark or service logo for commercial interests.

If any of the foresaid circumstances is tenable, it can be described that the appellant owns the rights or legal interests of this domain name under Item 4 (c) (ii) (Refer to Digital Vision, Ltd. v. Advanced Chemill Systems, WIPO Case No. D2001-0827), and under this circumstance, the appeal must be rejected.

According to Article 4 (c) (i) in the “Policy”, to determine whether the appellant owning the rights or legal interests for the domain name in dispute is tenable or not, the key is whether the appellant uses the relevant domain name to provide commodities or services in good faith.

The expert team notices that the exclusive use of the domain name in dispute by the appellant is to use this domain name to provide an aggregate website linking to many other websites, some of which are relevant with “Oscars” (Then linking to other video retail website) and others are pornographic websites. This point cannot constitute provision of commodities or services in good faith. In addition, due to the appellant does not plead, this expert team also concludes the appellant does not own the

trademark or service logo identical with A.M.P.A.S (Refer to Nat'l Academy of Recording Arts & Sciences Inc. v. Lsites, National Arbitration Forum, Case No. FA00103059). Meanwhile, there is no evidence showing the appellant gets well known due to this domain name.

Therefore, the expert team believes all the circumstances under Item 4 (c) in the "Policy" are not applicable, but Item 4 (a) (ii) in the "Policy" is tenable.

C. Malicious registration and use

Item 4 (a) (ii) in the "Policy" regulates that besides the foresaid matters, the appellant should also state that the domain name in dispute has been maliciously registered and used.

Regulations in Item 4 (b) in the "Policy" give a non-specific situation list, including "If the expert team cognizes the existence of this kind of situation, then it proves registration and use of the domain name is malicious".

Item 4 (b) (iv) in the "Policy" regulates that the following situations are the evidences of existence of malicious registration and use of the domain name:

"By using this domain name, in order to make commercial interests, your party intends to attract international Internet users to visit your website or other on-line positions, so as to mix up the mark of the appellant to cause a kind of the possibility, i.e. make it as your website or position, or the resources, sponsorship, and recognition of resources, sponsorship, associate institutions or recitation of the commodity and services on your website or position."

The expert team believes that the defendant provides the link with other websites under the directories of "Oscar" and "Films", etc, including many notes as "Sponsorship", and this indicates that the defendant is aware of the appellant and his business activities. From the behavior that the defendant transfers the user to other website through the linkages under these directories, we can further conclude the defendant uses the domain name in dispute to make commercial interests, and by mixing up the A.M.P.A.S mark in the appellant, to cause a kind of the possibility, i.e. use it as the resource, sponsorship, associate institution or recognition of recitation of the website of the defendant, i.e. the meaning described in Item 4 (b) (iv) in the "Policy".

Under the circumstance that the defendant is absent for pleading the accusation by the appellant, according to the meaning recognition in Item 4 (a) (iii) in the "Policy", the expert team recognizes the domain name has been maliciously registered and is being maliciously used by the defendant.

7. Judgment

Considering all the foresaid reasons, according to Item 4 (i) in the "Policy" and Article 15 in the "Rules", the expert team rules to transfer this domain name

<amp;pas.com> to the appellant.

Exclusive Expert
Mr. Richard Tan
